INSPIRING LIFELONG LEARNING

"I am FOREVER grateful for CRRL's Classroom Carryouts for helping me be the best teacher possible. This is such an amazing program and really helps me spend more time focusing on lesson planning, because I know you're making sure my kids have new interesting books to read in the class every week. I really appreciate it!"

—Jenna H., Kindergarten teacher

Teacher's Place

FOR TEACHERS OF ANY GRADE

Book Group in a Bag

Multiple copies of the same title are available for an extended checkout period.

Classroom Carryout

CRRL researchers gather curriculum support materials tailored to meet your students' needs for use in your classroom. Don't forget to renew every 2 weeks!

Library Lowdown

A quarterly newsletter that highlights information and resources for elementary, middle, and high school teachers.

Classes

FOR EVERY STUDENT

At least 2 weeks in advance, please contact your school liaison (pages 7-8) or complete the online form at librarypoint.org/classrequest.

Back to School and School Orientation

The library brings a table of information including library card applications and relevant resources.

Field Trips

CRRL instructors share wonderful books, introduce resources, and provide an in-depth tour.

Library Cards

More than books, access includes eBooks, eAudios, eMagazines, and specialized research tools. Ask for applications, and we will mail library cards to your students' homes. Children's and teens' materials are now exempt from late fees.

Summer Reading Promotion

This lively auditorium-style class emphasizes that summer reading equals summer learning.

Homework Help and Research Tools

librarypoint.org/research

Online Tutoring from Credo Online Reference

Free homework help for grades 3–12 in science, math, reading and writing, plus SAT prep. Click on the “Homework Help” tab at the far right of your screen.

Testing and Education Resource Center

Students strengthen academic and test-taking skills for familiar standardized tests such as AP, SAT, ASVAB, GED, and more.

Mango Languages

Online language learning allows students to hone skills or develop new ones.

eBooks, eAudios, and eMagazines

librarypoint.org/explore

Collections available for homework or reading skill development and maintenance. Download to your SMARTboard and share with the entire class.

See a complete list, including Encyclopedia Britannica, National Geographic Kids, and more, at librarypoint.org/research.

Early Childhood

FOR YOUR STUDENTS

At least 2 weeks in advance, please call your school liaison (pages 7-8) or complete the online form at librarypoint.org/classrequest.

Alphabet Soup

Specially trained staff present stories, songs, and activities that lay the foundation children need to get ready to read. For Ages 2-5 with a caregiver. Ask about a library tour immediately following.

FOR TEACHERS AND PARENTS

For more information or to schedule an event, contact Katie Hughes at 540-785-9267 or kathleen.hughes@crrl.org. Please submit your request at least 2 weeks in advance.

Early Childhood Education Workshops

Motivate emergent readers through the use of props, music, newest books, and other resources. Bi-annual workshops provide two hours of credit for state licensing requirements.

Elementary School

Kindergarten Library Card Campaign

Encourage reading and foster the beginnings of lifelong library use by helping us give every kindergartner a public library card. We provide applications and mail library cards to students' homes.

Storytelling

Specially trained library presenters enhance 2nd and 3rd grade SOL curriculum with Chinese and/or Native American folktales and songs.

Special Events

Library presenters promote books and CRRL resources, including homework and research support, at your school events.

STEM Classes

Did you know we offer quarterly in-house STEM classes for children in grades K-6?

Learn more by calling your school liaison (pages 7-8).

Middle and High School

Café Book

CRRL instructors partner with school librarians to facilitate book discussion on a selection of current teen literature. Students learn to identify and explain literary devices as they practice critical evaluation skills. **Grades 7 and 8 only.** Please email Darcie Caswell darcie.caswell@crll.org for more information.

Teen Art Show

Students demonstrate creativity and artistic talent and learn exhibition skills by submitting their work for a month-long exhibit at the Fredericksburg Branch. Students in grades 11 and 12 also develop critical evaluation skills by judging the work of younger participants. **Grades 9–12 only.**

Claudia Emerson Teen Poetry Contest

Students clarify, extend, or elaborate on ideas using vivid language such as imagery, figurative language, and sound elements by creating and submitting original poetry.
